Firm: Shine Lawyers
Position: Partner

I've worked in the legal profession for: 12 years in plaintiff personal injury.

My colleagues think I'm: Honest; a positive but perhaps not calming influence.

I went to university in: Wales.

I love my job because: Of the people that I work with and the families that we act for.

If I wasn't a lawyer: It would be nice to work outside.

My favourite thing about Brisbane is: City life close to the surf.

If I had a super power it would be: To be in two places at the same time.

My favourite restaurant is: Sirromet.

I couldn't live without: Lists.

My secret skill is: Picking my fights.

You wouldn't know it but: I went to the same university as Prince Charles but don't sound as posh.

If I won the lottery I would: Direct my charitable funds to those helping children and my spending funds to Gucci.

My worst habit is: Swearing.

In my spare time I: Have just been on a four-month camping trip around Australia with my husband and four year-old-daughter.

I'm inspired by: Nature and people who overcome difficult times.

I would spend my last \$100 on: A one way ticket to Byron Bay.
