Legal opportunities

● SHINE Lawyers has launched a landmark course to open up opportunities for those interested in a legal career.

The course is designed for a wide variety of people seeking careers in the legal industry and is suitable for school leavers, legal students, law clerks wanting promotion or job seekers looking for new career opportunities.

The six-day residential course will run in Toowoomba during January and February and will cost \$695, which includes accommodation, meals, tuition, resources, materials and leisure activities. Applications close on October 31.

An information evening for those interested in attending will be held at Shine's offices at 7pm on October 27.
